Job Description

Are you ready to play a key role in streamlining procurement and inventory operations? We are looking for an enthusiastic **SAP MM Consultant** to join our growing team. In this role, you will be responsible for the analysis, design, configuration, and support of the SAP MM module. You'll work closely with business stakeholders to ensure smooth operations in supply chain management and procurement. Your contributions will help the company enhance cost-efficiency and productivity.

Education & Experience

1. Minimum 1 Year Experience Required in SAP MM module
2. Strong understanding of procurement processes and inventory management
3. Ability to configure SAP MM workflows and resolve functional issues

Must Have

1. Graduate (Bachelor's Degree in Commerce, Business, Engineering, or related field)
2. Good communication and problem-solving skills
3. Ability to work in a fast-paced team environment
4. Willingness to work from the office
